Umpqua CDC's Self-Help Housing Program Newsletter

Pear Lane Open House

January 23, 2009, was a big day for the Pear Lane Building Group. Anticipating a move in date sometime the following week, everyone was surprised when RD announced that all houses had passed their inspection and everyone could move in.

Certificates of Appreciation were passed out to volunteers and Wolf Creek Job Corp trade groups who helped with construction.

The Sew & Sews, a Sutherlin club, brought bundles of homemade items, such as quilts and caps for each family.

The new homeowners opened their houses to the public and were pleased with the many compliments received.

Pear Lane Project Stats

The project took 10 months to complete.

They had 146 individual volunteers who contributed 2,792 hours.

Wolf Creek Job Corp carpenters provided 2,120 hours and their Cement Masons contributed 3,456 hours.

The building group contributed 11,950 hours.

Total project hours (minus subs) was 20,318.

Special Thanks

Umpqua CDC and the Pear Lane Building Group would like to offer special thanks to the following businesses:

Home Depot

Wolf Creek Job Corp

A-1 Sutherlin Rent-All

WISH LIST

Our Self-Help Housing program is in need of the following items:

A tractor with a bucket, forks, and a blade.

A chipper, so we can recycle our scrap lumber into mulch for lining driveways, sidewalks, etc.

If you have items to donate, please contact Umpqua CDC at 541 673-4909 and ask for Sandra or Ronnie.

Donations are tax deductible.
